WHEREAS, the Planning and Zoning Board of Appeals (“*PZBA*”) held public hearings on February 15, 2024 and May 2, 2024 (the “*Public Hearings*”) as to whether the Proposed Special Use should be approved, at which time all persons present were afforded an opportunity to be heard; and

All documents and exhibits submitted at the aforesaid public hearings are also incorporated by reference into this Ordinance.

Section 3. In addition to the findings set forth in Section 2 hereof, the Mayor and Aldermen of the City further find in relation to the Proposed Special Use as follows:

This special use permit is subject to the following conditions:

1. That this special use shall be limited to the Applicant and shall not be transferable except upon reapplication, hearing and approval in the manner provided in the Zoning Code;

13. That entryways to the Property shall remain unblocked at all times by any obstruction other than gates;
14. That to deter dumping, no inoperable vehicles shall be parked outside the fenced area of the Property on Sacramento Avenue, and no operable vehicles shall be parked outside the fenced area of the Property on Sacramento Avenue for longer than seven (7) days, except vehicles used to transport employees to and from work;
15. That contaminants must be removed by a certified recycler on an as-needed basis, but no less than bimonthly, with records kept by the Applicant and provided upon request to the City to ensure continued compliance;

16. That the Applicant must obtain all required IEPA, MWRD, and floodplain approvals; and
17. This Ordinance shall be signed by the Applicant and property owners to signify acknowledgement of the terms hereof.

Section 5. The Applicant hereunder shall at all times comply with the terms and conditions of the special use and, in the event of non-compliance, said permit shall be subject to revocation.
